HUMANITY FIRST FUNDRAISING IFTAR DINNER 2026 IN AIWAN TAHIR

TOGETHER IN THE SPIRIT OF GIVING
HUMANITY FIRST FUNDRAISING IFTAR DINNERS

Humanity First sincerely extends its appreciation to the dedicated **teams in Vaughan, Durham, Woodstock, Cambridge, Hamilton and Calgary** for hosting Iftar Fundraising Events during the blessed month of Ramadan to support the Humanity First Food Bank operating under its Food Security program.

These impactful events brought together thousands of attendees, including **community leaders, dignitaries, and community members** from various walks of life, whose generosity and support will help Humanity First continue serving countless vulnerable individuals in our communities through the Food Bank's walk-in and free of charge delivery service.

CHAIRMAN'S MESSAGE

Every day, Humanity First sees families struggling to afford food, healthcare, education, and basic necessities. This quarter, a mother visiting our food bank shared that receiving a food hamper meant her children would finally sleep with a full stomach after days of uncertainty. Moments like these remind us that humanitarian service is not simply about providing aid; it is about restoring dignity, stability, and hope to those facing hardships.

As the needs around us continue to rise, so does our responsibility. Through your continued donations and volunteer efforts, Humanity First has been able to provide food security, healthcare, education, orphan care, and humanitarian relief to thousands of individuals locally and globally. Every donation, every hour volunteered, and every act of kindness has the power to transform lives and strengthen communities around the world.

SERVING THE COMMUNITY THROUGH THE FREE TAX CLINIC

Humanity First held the Annual Tax Clinic in March 2026, helping **over 500+ individuals and families** complete their tax filings and access important financial benefits and credits. The clinic provided vital support to **seniors, low-income families, newcomers, and vulnerable community members** who may otherwise face barriers to filing their tax returns.

KNOWLEDGE FOR LIFE: BUILDING BRIGHTER FUTURE

Humanity First continues to empower children through access to education and safe learning environments. Schools supported in **Cameroon, Haiti, Nigeria and Congo Brazzaville** are providing children with the opportunity to learn, grow, and build brighter future.

To further expand its impact, Humanity First is currently constructing an **extension to the Cameroon school** to accommodate **additional grade levels** and serve more students. Over 340 students are enrolled in these school and getting free education.
